About FIDA

FIDA is a non-profit **global governing body for dronesoccer** located in **Jeonju, South Korea** and was founded in 2022. It is responsible for promoting and overseeing Dronesoccer worldwide.

Mission

To promote the growth of Dronesoccer globally, standardize its rules and regulations across participating countries

Purpose

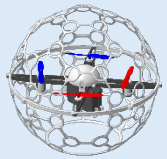

To enhance international cooperation, foster the healthy use of drones, support the development of the drone industry, and contribute to global peace through Dronesoccer
